EXPERIENCES

UCICS Conference Volunteer Certificate -2025

Awarded for active volunteer participation and also contributed as an event organizer in the UCICS International Conference 2025, held at Varendra University.

UCICS Conference Certification of Participation -2025

Proud to have participated in the UCICS Conference 2025, exploring innovation and research in computer science. Networked with researchers, professionals and fellow participants through exchanging ideas.

Member, Web Development and Research Club
Varendra University , September 2023 - Present

Engaged in building real-time web applications as part of a collaborative team. Participated in workshops, coding sessions and tech events.

Participated in The OneCoder Challenge ,season 1 organized by Varendra University Programming Club

Received a Certificate of Participation in The OneCoder Challenge Season 1 organized by VUPC. This contest was not about coding, it was about problem solving, time management and pushing my limits. This experience boosted my confidence with sharpened logical challenges.
